Dear Students,

It gives me immense pleasure to welcome you all in Swami Vivekanand Govt. College Ghumarwin. The college was established in the year 1994. Since its founding the college has expanded significantly. Originally starting with only an Arts faculty, the college introduced Science and Commerce streams in the year 1998. The college boasts of its modern outlook, spacious, classrooms, well furnished toilets, a big library, in-house banking and post office services, food outlet for staff and students, separate departmental rooms adorned by small department libraries. With the passage of time the college grew in style and stature, transforming the educational environment of the region. The college has the privilege to cater the needs of district Bilaspur and the adjoining areas of district Mandi and Hamirpur. The college is proud to run the B.A., B.Sc., B.Com. courses and M.A., M.Sc. courses in Physics, Mathematics, Chemistry, Botany, Zoology, English, Commerce and Political Science.

The college is privileged to run vocational courses such as B.Voc. and BBA, BCA and PGDCA under the Self-Financing Scheme managed by the college's Higher Education Institute Society (HEIS).The HEIS society is playing a pivotal role in imparting educational courses having tremendous job prospects. We believe in providing education seeped in inclusive growth of students. We leave no stone unturned in creating a knowledge rich society. The college has been continually exhibiting wonderful results in academic, sports, and cultural activities.

Our laborious and industrious teachers always try hard in keeping themselves updated towards the new innovations and research in their perspective fields. They organize debates, group discussions, mock interviews, workshops, symposia, seminars, sports and cultural activities for the welfare of students. Our non-teaching staff members are always on their toes to help the student community. The HEIS invites professionals from industry and the eminent personalities from different walks of life to keep our students updated in this dynamic and ever evolving world.

I welcome all the new students in this beautiful institution urging them to transform in a better way, so to become a good human being and a good citizen of India.

Prof. Pritam Lal

# Swami Vivekanand Govt. College Ghumarwin (H.P.)

## - An Introduction

Named after Swami Vivekanand, a great visionary, spiritual leader, the college was established with the notification of the state govt. On July1, 1994 for running arts faculty only. The majestic and well designed building of the college was built by the ACC. Science and Commerce faculties were started in 1998. The college is affiliated to H.P. University and was given due recognition under UGC section of 12(B) in 2008 and 2(f) in 209. Two new vocational courses BCA and PGDCA were started in 2009 under the self-financing scheme. In the year 2012, M.A, English as started. In the same year another vocational course B.B.A was started under sef financing schem. Two more PG courses M.Sc. Physics and M.Sc. Mathematics were introduced in 2017, M.A. Political Science & M.Com. in 2019 and M.Sc. Chemistry, M.Sc. Botany and M.Sc. Zoology were introduced in 2020. B.Voc courses were also introduced in the session 2021-22. In the session 2022-23 this institution came under the "Utkrisht Mahavidyalya Yojna" under this scheme this institution got a grant of Rs. 1 Crore for institutional development under various heads. In the year 2020, NAAC team visited the college and the college is re-accredited as 'B Grade' institution. The college is spread over in a 73.11 bighas of land. The entire campus of the college is under CCTV surveillance and is connected to Wi-Fi and Broadband Internet system.

The college is dedicated to the cause of learning by imparting education to inculcate a sense of responsibility & devotional service among the students. The college provides a blend of academic, cultural, sports and intellectual resources. It also brings to the students a dynamic environment for the overall development of their personalities, aspirations and talents. Today, the college is known as one among the finest institutions in the state. The college has registered a tremendous growth in enrolment. At present about three thousand students coming from far-flung rural areas are studying various UG and PG course being run by this college.

The college has well-equipped laboratories catering tot he needs of the students in science facutly and also in the Geography, Music and Computer Applications. It has a girls' hostel having a capacity tot accommodate 91 girl students. It has its own well-furnished gymnasium, a boxing ring, Playground, Examination hall, as well as a well equipped conference hall. The college has a well stocked library.

Over the years, the college has shown consistently good results and every year students of this college get positions in the merit lists notified by H.P.

**Vision of the College:** Swami Vivekanand Government College Ghumarwin is proving to be a key factor for the economic and social transformation of the region. The college is committed for the holistic development of its students by making them academically excellent, professionally skilled, mentally strong and socially responsible citizens.

**Mission of the College:**

- To manifest the perfection by imparting a quality and character-building education.
- To enable students to face the challenges of life and meet out the needs of society.
- To harmonize the traditional values as well as embracing new values to keep pace with the progress of Science and Technology.
- To foster the values of healthy competition, mutual cooperation and social responsibility, students are motivated to participate in different co-curricular activities.
- The institution is committed to provide an environment, conducive to innovation and team spirit.
- The institution is dedicated to the cause of learning by imparting education that inculcates a sense of responsibility among the students.

# National Education Policy-2020 (For 1st/2nd Semester )

The National Education Policy (NEP) 2020 (hereafter referred to as NEP or Policy) recognizes that higher education plays an extremely important role in promoting human as well as societal well-being and in developing India as envisioned in its Constitution - a democratic, just, socially conscious, cultured, and humane nation upholding liberty, equality, fraternity, and justice for all. It notes that "given the 21stcentury requirements, quality higher education must aim to develop good, thoughtful, well-rounded, and creative individuals".

In accordance with the NEP 2020, the UGC has formulated a new student-centric "Curriculum and Credit Framework for Undergraduate Programmes (CCFUP)" incorporating a flexible choice-based credit system, multidisciplinary approach, and multiple entry and exit options. This will facilitate students to pursue their career path by choosing the subject/field of their interest.

## Transformative Initiatives that have a Bearing on the Undergraduate Education

The NEP envisages several transformative initiatives in higher education.These include:

- Introducing holistic and multidisciplinary undergraduate education that would help develop all capacities of human beings - intellectual, aesthetic, social, physical, emotional, ethical, and moral - in an integrated manner; soft skills, such as complex problem solving, critical thinking, creative thinking, communication skills; and rigorous specialization in a chosen field (s) of learning.
- Adoption of flexible curricular structures in order to enable creative combinations of disciplinary areas for study in multidisciplinary contexts that would also allow flexibility in course options that would be on offer to students, in addition to rigorous specialization in a subject or subjects.
- Undergraduate degree programmes of either 3 or 4-year duration, with multiple entry and exit points and re-entry options, with appropriate certifications such as:
  - a UG certificate after completing 1 year (2 semesters) of study in the chosen fields of study,
  - a UG diploma after 2 years (4 semesters) of study,
  - a bachelor' s degree after a 3-year (6 semesters) programme of study,
  - a 4-year bachelor's degree (honours) after eight semesters programme of study if the students complete a rigorous research project in their major area(s) of study in the 4th year of a bachelor's degree (honours with research).
- The 4-year bachelor's degree programme is considered a preferred option since it would provide the opportunity to experience the full range of holistic and multidisciplinary educationn in addition to a focus on the chosen major and minors as per the choices of the students. ( If approved by the H.P. Government)
- Inclusion of credit based courses and projects in the areas of the community engagement and service, environmental education, and value based education.
- Environment education to include areas such as climate change, pollution, waste management, forest and wild life conservation, and sustainable development and living.
- Value based education to include the development humanistic, ethical, constitutional, and universal values of truth, righteous conduct, peace, love, non-violence, scientific temper, citizenship values, and life skills.
- Lessons in service and participation in community service programmes to be an integral part of holistic education.

## Main features of the New Curriculum Framework

The new curriculum frame work will have the following features:

- Flexibility to move from one discipline of study to an other;
- Opportunity for learners to choose the courses of their interest in all disciplines;
- Facilitating multiple entry and exit options with UG certificate/UG diploma/or degree depending upon the number of credits secured;
- Flexibility for learners to move from one institution to another to enable them to have multi and/or interdisciplinary learning;
- Flexibility to switch to alternative modes of learning (offline, ODL, and Online learning, and hybrid modes)
- Regulations for Academic Bank of Credit (ABC) and guidelines for Multiple Entry and Exit are already in place to facilitate the implementation of the proposed "Curriculum and Credit Framework for Undergraduate Programmes".
- **Major and Minor disciplines**

  Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about50%of total credits) through core the major discipline.

  Minor discipline helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of12 credits from a bunch of courses in Statistics, then the student will be awarded B.A. degree in Economics with a Minor in Statistics.

## Definitions, Eligibility and Duration of the Programme

**Semester/Credits:**

- A semester comprises 90 working days and an academic year is divided in to two semesters.
- The winter vacation comprises five weeks. Internship/apprenticeship/work-based vocational education and training can be carried out during the winter vacation, especially by students who wish to exit after two semesters or four semesters of study. The HEIs can decide on the courses to be offered in the winter vacation depending on the availability of faculty and the number of students.

## Awarding UG Certificate, UG Diploma, and Degree

**UG Certificate:** Students who opt to exit after completion of the first year and have secured 44 credits will be awarded a UG certificate if, in addition, they complete one vocational course of 4credits during the vacation of the first year. These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven years.

**UG Diploma:** Students who opt to exit after completion of the second year and have secured 86 credits will be awarded the UG diploma. These students are allowed to re-enter with in a period of three years and complete the degree programme within the maximum period of seven years.

**3-year UG Degree:** Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years, securing 128 credits and satisfying the minimum credit requirement.

**4-year UG Degree (Honours):** A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 168 credits.

**4-year UG Degree (Honours with Research):** Students who secure 75% marks and above in the first six semesters and wish to under take research at the undergraduate level can fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University/College. The research project/dissertation will be in the major discipline.
