7.6 Any other relevant information the institution wishes to add. (for example SWOT Analysis)

The college being a Government institution has little autonomy in terms of changes at the academic level and in the introduction of new courses. The college has to follow the directives of the Govt. & H.P. University. The accreditation by NAAC has given many valuable inputs to the college to improve and innovate and the IQAC will try its level best to implement all the suggestion in a phased manner.

8. Plans of institution for next year

The college has plans to modernize its Chemistry, Physics, Botany labs for the next year. The construction of Four Class Rooms is also planned. The process of constructing Badminton Court in girls' hostel and a Boxing Ring Shed in the college campus is also in the pipeline. A solar power project of 15 kb will be installed in the college as the DPR is submitted under RUSA and the estimate has been submitted for administrative approval. Leveling of the newly acquired land for the construction of 400 ms athletic track and playgrounds for other sports are the other important task for the next year as the process of preparing the estimates is under process. The college is also planning to start remedial classes for the SC/ST students and inter facility seminars from the next session. From the next academic session the college campus will be made fully Wi-Fi.
